Mr. Steven A. Katsaris  

Dear Steve:

I apologize for taking so long to reply after your telephone call.

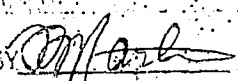

I received the airline ticket that you arranged to have sent for Maria through me by the Ukiah Tour and Travel Inc. B6

I saw Maria several times in January and in fact, she and I travelled together to the Northwest District from Georgetown last January 11. On one occasion when she was alone in my office we discussed the meeting between you and her last year. She admitted it was painful but claimed that her hostility was due to your opposition to the People's Temple. She did state that in spite of her attitude she still loved you.

I have not been able to inform Maria about the ticket under the guidelines you mentioned in your telephone conversation.

Please accept my best wishes.

Sincerely,
